Safety Advice

As with any digital media-based storage device, data should be backed up regularly. We strongly recommend that you observe the usage precautions laid out in this instruction, and also back up the data in your player regularly. In no event will Nextar be liable for any indirect, incidental, special or consequential damages to any persons caused by Nextar's negligence, or for any lost profits, lost savings, loss of use, lost revenues or lost data arising from or relating to this device, even if Nextar has been advised of the possibility of such damages. In no event will Nextar's liability or damages to you or any other person ever exceed the amount paid by you for the device, regardless of the form of the claim. Some countries/states do not allow the limitations or exclusion of liability for incidental or consequential damages, so the above limitation or exclusion may not apply to you.
